CHEERLEADERS PART - 6

Old Bob thinks himself the luckiest bastard on Earth. Good luck and a heavy storm brought 4 delightful cheerleaders knocking at his door. His bizarre mind soon took a decision: he would keep them...

After a while he decides sharing his booty with two friends, Dogface and Assbuster.

Bob kept blonde Jessica for himself.

As host of this party he has the right to choose another one. He selects young Beverly, a lovely, curly-haired redhead with the angelical face and shy attitude the old bastard has dreamt of all his life...

And if Bob is a crazy man, Dogface is a mean, twisted fetishist. He's 61 and the oldest of the group. He selects Chris, the youngest of the bunch of cheerleaders, a young brunette of 18 with the sort of breasts Dogface has long been dying for and masturbating for... Needless to say, Chris feels sick at being chosen by a man older than her grandfather!

Assbuster is the most dangerous member of the group. He's a born go-getter and he's trouble. He chooses Anna, a stunning blonde with a lot of character. Scared like her friends, the beauty has the guts to face up to the men, even to insult them. Assbuster is delighted. He enjoys taming feisty wildcats... and he hates classy, arrogant girls like Anna...

After some time Assbuster is almost caught by the cops, but the bastard not only avoids arrest but finds another victim: Anna's sister, a beautiful tennis player who is every bit as hot as Anna....
